There is a section for "Android 10.0 Q" with an Android robot icon and an information icon. Below this is a text box with instructions: "Before you proceed with installation on Android systems, please make sure that you have installed the eduroamCAT application. This application is available from [Google Play](#), [Amazon Appstore](#) and as [local download](#), and will use the configuration file downloaded from CAT to create all necessary settings." A "Continue" button is at the bottom of this box.

At the bottom, there is a link: "Choose another installer to download".
