

CALL FOR APPLICATIONS

The Advisory Board of the „*Qualitas Biologica*” Foundation calls for applications in the following categories:

I. Award for high quality scientific publications

The aim of the Foundation is to honor the most outstanding publications of the fellows of the HUN-REN Biological Research Centre (HUN-REN BRC) in the field of modern biology.

Requirements for a valid application are that the submitted publication

- has been published between December 1, 2024, and December 1, 2025
- the corresponding author is affiliated with the HUN-REN BRC
- the main part of the underlying work has been performed in the HUN-REN BRC

II. Award for high quality Ph.D. dissertations

The aim of the Foundation is to honor the most outstanding Ph.D. dissertations of the fellows of the HUN-REN BRC in the field of modern biology.

Requirements for a valid application are that the submitted thesis

- has been defended between December 1, 2024, and December 1, 2025
- the supervisor of the applicant is affiliated with the HUN-REN BRC
- the main part of the underlying work has been performed in the HUN-REN BRC

The applications must be addressed to the Director General of the HUN-REN BRC and must be submitted in printed and electronic (PDF) form to the Scientific Secretariat of the HUN-REN BRC. In a cover letter the name of the applicant and the category of the application have to be specified. In the case of application with a scientific publication (Category I), which may be jointly submitted by several coauthors, the application has to be supplemented with the written and signed declaration of the other coauthors, specifying their agreement with the participation in the procedure. In the case of application with a Ph.D., thesis (Category II), the application has to be supplemented with the copies of the publications providing the basis of the thesis.

The applications have to be submitted before

January 30 (Friday), 2026, 12:00 a.m.

to the Scientific Secretariat of the HUN-REN BRC (tudomanyos.titkarsag@brc.hu).

The applications will be evaluated and ranked by the Advisory Board of the Foundation. The awarded applications will be deposited into the archives of the Foundation.

Szeged, January 7, 2026.

Ferenc Nagy

Director General of the HUN-REN BRC
President of the „*Qualitas Biologica*” Foundation
